

Seabird Song

Special seabird live on Scilly

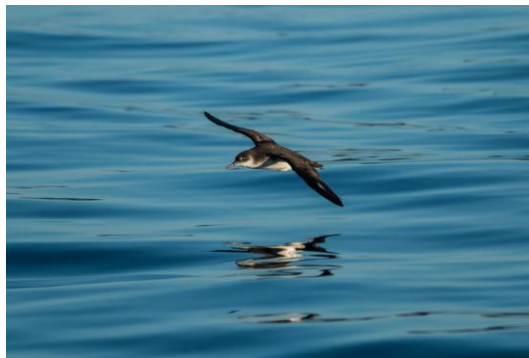

Special seabirds need OUR help!

We can see them from the islands

Or when we are out on a boat

Watch the fly – **FLAP FLAP FLAP!**

To catch their fish – **YUM YUM YUM**

Special seabird live on Scilly

Special seabirds need OUR help!

During Christmas they are in Brazil

But in springtime they'll be back

To dig their burrows – **DIG, DIG, DIG!**

To raise a chick – **CHEEP, CHEEP, CHEEP!**

Special seabird live on Scilly

Special seabirds need OUR help!

Now we know all about our shearwaters

Let's help protect them all year round

Don't drop litter – **NO, NO, NO!**

And report any rats – **RAT, RAT, RAT!**

Special seabird live on Scilly

Special seabirds need OUR help!

Feliz Navidad to our Manx shearwaters!
