

Storm Petrel Nestbox Design

- How to secure entrance tunnel to nest chamber
- Ventilation holes
- Closest focusing distance of camera
- Location
- Robustness
- Assembly in field or ready assembled
- Adhesive

May want to cut those to desired length.

$150\text{mm} = 6\frac{1}{2}''$
 $100\text{mm} = 4''$
 $60\text{mm} = 2\frac{3}{8}''$
