A close-up photograph of a hummingbird hovering next to a vibrant purple flower. The bird's wings are blurred due to rapid movement, and its long beak is extended towards the center of the flower. The background is a soft, out-of-focus green.A close-up photograph of a butterfly with vibrant orange wings featuring black markings and a blue border. It is perched on a cluster of small purple flowers.

A group of people, including adults and children, are seated on the deck of a boat. Many of them are holding binoculars to their eyes, looking out at the blue sea. Some are wearing life jackets. In the foreground, there are some bags and a small white rectangular box with a black border.
